**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We needs competition. With more competition providers in our neighborhood, our services getting better and the cost drops dramatically. we used to have slow internet speed ,package with internet, tv and phone bundle cost \$200 a month three years ago. Now with new service provider, fiber optic lighting internet speed, phone and choice of tv, we cut it to \$100. It is a big deal for senior with fix income like us. Monopoly market is not health for consumers and not fair trade for free market.
